Rolf McEwen : Adult Coloring Book Urban Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adult Coloring Book Urban Designs:

This book includes images taken in several cities in Oregon. They are rendered in radical black white to emphasize patterns that become apparent in vivid contrast. They provide pleasing forms for coloring by adults who wish to relax and relieve stress. Because the images were created from photographs, they are not typical coloring book pictures with simple outlines to be filled-in. Many of the pictures include a considerable number of gray or black areas which cannot be easily colored. The images are artistic and imaginative, and allow for coloring of some portions of each selection.
