Good Addition to Your Christmas Cross-Stitch CollectionBy Margaret M DavazThis books has charts depicting scenes from classic the classic Christmas story "The Night Before Christmas." Also included are stockings (combining quilting and cross-stitch), garlands, pillows, frames, sachets, an advent calendar and other gift items.The graphs are printed in black and white and are large and easy to read. There are full-size patterns for the pieces to be sewn and clear step-by-step directions.This is a nice addition to your Christmas cross-stitch collection.
