I collect McCoy pottery planters and vases and was glad to see some of my faves in this book ...By CustomerI collect McCoy pottery planters and vases and was glad to see some of my faves in this book and other pieces that I've seen and didn't realize until reading this book, that they were McCoy also. great reference book to have.0 of 0 people found the following review helpful. Five StarsBy Bonnie AnitaGreat book, a nice addition for my library. Arrived early, will purchase from seller again.0 of 0 people found the following review helpful. Four StarsBy Patricia S. WellsMccoy pottery

A quick reference guide to the wide ranging and popular McCoy pottery produced by the Nelson McCoy Sanitary

Stoneware Company, the Nelson McCoy Pottery Company, and McCoy Ltd. Spanning the twentieth century, the pottery presented here in over 500 vibrant color photographs ranges from bulb bowls, cookie jars, and jardinières to planters, vases, and wall pockets. A brief history of the company, a manufacturer's mark identification guide, an extensive bibliography, an index, and current market values are included. A must book for collectors of twentieth century pottery - especially practical for newcomers to the field.

About the Author Jeffrey B. Snyder is an experienced author, editor, photographer, and public speaker. He has recently been seen on both Martha Stewart Living and WHYY Philadelphia's public broadcasting television programming.
