Delgadillo GonzalezThe book has a great ideas the u1 of 1 people found the following review helpful. Delightful IdeasBy Lee WagarThis is a great book for any quiller's library! It has some really fun ideas for cards but also some ideas for other types of projects as well. The husking patterns are helpful and some of the flower ideas were new to me. Rarely do I ever follow someone else's designs, so the supply lists and detailed instructions are not something I personally ever use, but to someone whose creative juices don't flow as freely, this has excellent instructions and beautiful illustrations. Definitely worth the purchase price!

Quillingalso known as paper filigree or scroll workis the art of rolling very thin strips of paper into elegant shapes, turning them into beautiful designs, and then gluing them onto a base for display. This new guide from the prolific

Marie Browning presents a range of techniques, both traditional and new, that will delight and intrigue crafters. In addition to offering 28 unique shapes, it introduces some contemporary quilling possibilities such as husking, fringing, crimping and sculpting. Even beginners will enjoy creating simple but very attractive greeting cards and measuring their progress on more involved projects, including home dcor items (like a Wedding Tin and Framed Botanicals) and beautiful jewelry.
