**Cecily Macdonald, Melissa LaBarre : Weekend Hats: 25 Knitted Caps, Berets, Cloches, and More** before purchasing it in order to gage whether or not it would be worth my time, and all praised Weekend Hats: 25 Knitted Caps, Berets, Cloches, and More:

30 of 30 people found the following review helpful. Guess what everyone is getting for Christmas?By Our Lady Bon BonsLove this book! I finished the Brier Toque and it looks great! I am starting the Wanderer cap next. The directions are very clear and there are lots of good pictures so I can understand how it's supposed to turn out. The styles of caps are really cute and stylish. There are only a couple that I doubt I would make. I am a long-time "advanced beginner" and it's great to be able to complete a project quickly and have it look just like the pictures. Love it!! Highly recommend.0 of 0 people found the following review helpful. Nice hats, watch your gauge, and not all patterns are charted.By GrandmaBlondieI've now made four of these hats and like them really well. I couldn't find all of the yarns but was able to make substitutions. Like any other pattern, you have to CHECK YOUR GAUGE. The hat on the front, for example, is knit with Malabrigo silky merino on size 6 needles. HUGE. I ripped it out after a few inches and started over with size 4.Patterns are mostly straightforward. Not ALL designs are charted, so it loses a star for that. Overall, a nice collection of hats.0 of 0 people found the following review helpful. 's Kindle process SUCKS!By P. OlearyI have been trying for two days to cancel this order. Where is the cancel that it references in "help"section.

Don't have a Kindle. Ordered in error, without my getting an opportunity to confirm.

Embrace the hottest head-turning fashion accessory: the knitted hat! The clever designs of Weekend Hats will have enthusiastic knitters everywhere rejoicing in year-round hat style. Cecily Glowik MacDonald and Melissa LaBarre have brought you the best in designer knit hat patterns from 21 amazing designers, all in one beautiful and fun-loving collection. Inside you'll find: Expert advice to spark the interests of a variety of skill levels with special attention paid to exploring cables, lace, color, and texture. Twenty-five contemporary designer hat patterns that range from the distinctly feminine to the sporty gentlemen, including cloches, berets, beanies, tams, snoods, and more! Tips and tricks on how to maximize the use of specialty yarns and accessories to add a little panache to your designs. All the designs in Weekend Hats are ideal projects for travel, gifts, or sneaking in between larger knit projects. Whether you're interested in comfort, style, or just knitting enjoyment, Weekend Hats is your all-in-one resource for creating want-to-wear knitted caps.

"MacDonald and LaBarre, authors of *New England Knits* (2009) and the e-book *Wool Book One*, have put together a book of original hat-pattern designs and instructions. The size of the projects allows for 'near instant gratification' and makes for portable opportunities to try out new techniques and yarns. Of course, they make great gifts, too. The book includes 25 patterns by 19 designers, and the authors. The hats are cute, clever, fun, fashionable--all with texture, character, and whimsy. Almost all of the projects are four pages, with instructions, tips, and techniques, and featuring multiple photos of the hats modeled by men and women. Projects are not assigned skill levels, perhaps because they are 'weekend' projects. The table of contents lists the designer and has small pictures of each project for easy reference. Knitting techniques with illustrations follow the projects. Dusty autumn pastel page backgrounds help increase page browsability." - Lani Smith, Booklist

"When I first saw this book I thought -'Hooray, New England Hats!', but no, it's not a book of hat designs by New England Knits authors, Cecily Glowik MacDonald and Melissa LaBarre. The authors do contribute two patterns each to this book, and it turns out, they are just as good at picking folks to design hats as they are at designing them themselves. This book has 25 hat designs by 19 different designers. Texture, colorwork, lace - whatever you most love to knit or have wanted to dabble in, you'll find it here. I have a deep-rooted fear of Fair Isle, but Gudrun Johnson's Hued Toque is calling me. There are hats for men and women, and hats that would suit both. Hats that are more decorative and hats that are cozy warm. The variety of design is huge, and if like me, you're a little bit tired of chunky everything, not one of these hats is knit out of chunky or bulky yarn - Hooray!" - Jillian Moreno, Knitty.com

"Got a few hours to spare? Then you'll need a copy of this fab book! The 25 head coverings (in an array of styles) are all designed to be knitted in a weekend, so they're perfect projects for short trips away, winter weekends hibernating at home or just when you're taking breaks from larger projects. This all-in-one resource includes hats for all skill levels." - Knit Today

"Easy-to-follow instructions... This book provides so many different styles of hats, you'll find yourself with a brand new one every week!" - Knit 'n Style

"The results are as varied and tantalizing as you'd expect from the high-class contributors." - Yarn Market News

"I am really impressed. The book includes hats from more than 20 designers, and I feel like I would make and wear almost every one." - CloseKnit Portland

"Add a little panache to 25 stylish hat designs with tips for getting creative with specialty yarns and embellishments." - Crafter's Choice Book Club

"An incredible anthology of hat patterns by my favorite designers." - Fuschia Knits Blog

"Lovely collection of 25 new hats from a list of well-loved designers." - Knit Circus Magazine - Gifts

"I do admire a nice knit hat when I see it and there's no arguing this collection is full of them." - KnittingScholar.com

"Texture, colorwork, lace - whatever you most love to knit or have wanted to dabble in, you'll find it here. The variety of the designs is huge." - Knitty.com

"The Ruche Beret is also truly a weekend project. You can start one day and finish the next! It's a fast one." - SusanBAnderson Blog

"The hats are cute, clever, fun, fashionable--all with texture, character, and whimsy." - Booklist
