Have you ever wondered How should I tie my tie? Will this knot match this collar? Or Who invented neckties?? Probably not, but Im going to tell you anyway. What Knot To Wear is a fun book that gives a brief history of the necktie, teaches how to tie 10 different knots and best of all, a portion of all proceeds from this book is donated to Christmas Box International a children's charity. This book makes a great gift for any of the men in your life, big small or somewhere in between!
