Toddlers and young children are energetic, curious, enthusiastic, and messy! The 30 patterns in What to Knit: The Toddler Years reflect this, allowing you to show their individuality whilst emphasizing practicality and comfort, with advice on machine washable yarns. The chapters are divided into Rough Tumble, which includes a comfy hooded

jumper and roomy overalls; Neat Nice, a lace panel cardigan and a dandelion pullover perfect for visits to Grandma; and Toys Miscellany, a stuffed octopus, knitted oven gloves for toy kitchens and a ladybird pillow. From over-sized buttons to help tots dress themselves to a playful animal hat, these whimsical and beautiful designs will delight both the young and the young at heart.
