**Dick Chapman : When 'CCO was Cookin' Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised When 'CCO was Cookin' Book:

0 of 0 people found the following review helpful. I've never heard a station quite like 'CCO in its glory days By CustomerI grew up in the Twin Cities area at the height of WCCO's dominance, and Chapman's memoir brings it back for me. I've never heard a station quite like 'CCO in its glory days, and Dick Chapman, one of the key elements of that station, is especially qualified to tell their story. I just wish there was a CD of clips from some of "CCO's people to make it complete.0 of 0 people found the following review helpful. A great book of radio history By Kindle CustomerEspecially if you are from MN. Every household had CCO saved on the dial. They brought MN sports to the Midwest and further. Clear channel radio at its best. Some great inside stories on what seemed like family.2 of 2 people found the following review helpful. Proud History By Daniel Geiger Dick's book is the reason I am so proud to be employed at this legendary station.....Dan Geiger Producer, WCCO Radio

A historic and humorous account of the success of WCCO Radio in Minneapolis-St. Paul, MN during the 1960's, 70's and 80's (when 'CCO was cookin"), a suces story that is legendary in the broadcast industry. Many Photographs - a regional best seller.
