World War 2 StickersBy Reading AddictI thought these would be from the second world war era - it didn't occur to me that they would be so war-like. I like the art, but probably won't use them very often.0 of 0 people found the following review helpful. Perfect!By gskyyeI wanted stickers to put on my vintage metal lunch box. These poster replicas were the perfect thing! Seems like they would

work nicely for scrapbooking, too. I highly recommend.

Collectors and nostalgia enthusiasts will delight in these eye-catching reproductions of historic posters designed to boost recruitment, promote the sale of war bonds, and raise morale on the home front.
