David Gypsy Breier : Xerography Debt before purchasing it in order to gauge whether or not it would be worth my time, and all praised Xerography Debt:

The pirate ship of zine-bringing is sailing in the party! Reviewers this issue include Anne Thalheimer, D. Blake Wert,

David Gypsy Breier, Eric Lyden, Fred Argoff, Gavin J. Grant, Joe Biel, Julie Dorn, Kris Mininger, Liz Mason, Maynard Welstand, and Stuart Stratu. And on top of the scores of new zines reviewed in this issue, we are treated to excellent editorials from Dread Sockett and our trusty editor captain, David Gypsy Breier, addressing community issues in zine making as well as "Defining ourselves to death." As always, the ship sails freely and each contributor is allowed a free voice to say as they please!
